

LONDON PRAYER GUIDE

FRIDAY, JUNE 13TH

- We are flying to London! Please pray for safety in travel and wisdom in handling any issues that may arise.
- The mission trip doesn't start when the missionary says go. It has already started in how we love each other as a team and build unity! Please pray that we will continue to grow closer to each other and love each other well.
- The airport is a great opportunity to share Jesus with others! Pray for wisdom and love in how we talk with those in the airport.
- Please pray that we all adjust to the time change well.

SATURDAY, JUNE 14TH

- We have arrived in London! Today we meet the missionaries, their ministry teams and the other youth groups coming to serve. Please pray that God would give all of us a unity of purpose and clarity in vision in our teams and specific ministry areas.

SUNDAY, JUNE 15TH

- We are visiting local churches in the area and getting to know those that we are partnering with for ministry. Please pray that God would humble us and show us our great need to trust and rely on Him.

MONDAY, JUNE 16TH

- Today we start our ministry with local believers and that will continue until Friday. Please pray that God would help us work through any confusion or learning curve and remove any thoughts or attitudes stemming from sin rather than faith and love.

TUESDAY, JUNE 17TH

- Pray that God gives us confidence to love, to have conversations with locals and steer them to gospel conversations.

WEDNESDAY, JUNE 18TH

- Midweek the adrenaline and excitement might start to wear off and exhaustion take effect.
- Please pray for wisdom in how we manage our energy, and a burning fire to serve God in every moment He gives us!

THURSDAY, JUNE 19TH

- Team unity and love for each other can be a significant challenge, especially in a new culture. Please pray that we would listen well to each other and consider other's needs before our own.

FRIDAY, JUNE 20TH

- This is our last ministry day. Please pray that the local churches, our missionaries and ourselves would wisely handle all the connections we have made and that through all our efforts a great harvest for God's kingdom would be brought in.

SATURDAY, JUNE 21ST

- Today we fly back, but before we do, we get to have some fun in London. Please pray we will have a great time, but also that we will take advantage of all the opportunities God gives us to glorify Him this day.
- We arrive back in the U.S. around 8pm. Please pray that we would share all the things God did in and through us well with others and that we would continue the work of God's Kingdom.
- Please pray that this trip would be life changing for both leaders and students. That for all of us it would lead to deeper service and faithfulness to Jesus.
- Pray that we would quickly adjust back to the time change.
