## MISSIONARY SPOTLIGHT

As we have been praying Luke 10:2 as a church (The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into the harvest), we want to highlight those that are serving to inspire more laborers to go into the harvest.

Please join us for a Missionary Spotlight this Wednesday, March 22 at 7 PM in the Fellowship Hall following Wednesday Night Dinner. Families are invited to join us to hear a guest speaker who is a Missionary in Africa. She will share what God is doing in that country through the different areas and ministries where she and her husband are currently serving.

*\*\*Due to their location and the nature of their work, please do not post this information online.\*\**

## CELEBRATE HOLY WEEK

We look forward to a special time of remembering and celebrating the resurrection of our Savior. During Holy Week in April we will have a Maundy Thursday Service, Family Prayer Walk, and Good Friday Service. On Resurrection Weekend, we will have four special worship services at our regular times on Saturday and Sunday as well as regular children's, student, and adult small groups. For more details and information [click here](#).

## INFANT/CHILD DEDICATION SERVICE - SUNDAY, MAY 14, 5:30 PM

The purpose of this worship service is for parents to present their child before God and their faith community, committing to seek His grace and wisdom in carrying out the responsibility to model what following Jesus looks like and to help their children:

- Understand they are saved by Grace through Faith in Jesus Christ
- To believe that the Bible is God's Word and to read it daily

- To know the importance of being in community with other believers on this journey

We will also use this time to thank God for the gift of children. We encourage you to invite family, friends, neighbors, and your small group to come and celebrate this special time. There will be a reception immediately following the service. To participate, contact Marie Humston in the church office at 703-670-5032 or email her at [mhumston@gracehome.org](mailto:mhumston@gracehome.org). **The deadline to sign up is Friday, April 28.**

# PROCEED TO "START." IT'S TIME TO REGISTER FOR VBS!

Kids that are age 4 by September 30, 2023 - completed 5th grade are invited to register. They will discover that Jesus guides us through all the twists and turns of our lives. He helps us know His way and teaches us His paths. (Psalm 25:4)

**FOLLOWING JESUS CHANGES EVERYTHING!**

**HELP US MAKE THIS VBS A GAME CHANGER!** We are looking for volunteers (youth and adults) to help kids play their way through VBS. We'll see Jesus through the eyes of one of His closest friends, Peter, and learn that when we mess up, it's never "game over." Check the table in the North Foyers between services this weekend to learn more about registration and VBS at Grace.

## Grace Donations for ACTS

*"Ours is an awesome God and I greet you, every saint in Christ Jesus  
with joy and thanksgiving." (Phi 4:21)*

Recognizing that food prices are soaring and that we're all looking at our grocery bills with frustration, we ask that you might consider donating to ACTS. The ACTS Hunger Prevention Center provides support to an estimated 7,587 households in Prince William County.

As you reflect and gather donations, take a few minutes to pause and pray over your offering. Pray for bounty and blessings for the family or individuals that receive the donations. Ask God for protection and favor over each of them and that he draws them all to him.

Please continue to place your non-perishable donations on the wire rack in Building A, room A107. If you have any questions about this ministry or donating, email the church office at [info@gracehome.org](mailto:info@gracehome.org).

Click [HERE](#) for a full listing of ACTS urgent needs.

TIPS when gathering donations this month:

- Remember food preparations can be difficult for some of those in need in our community. Look for "instant" items that require you to "just add water".
  - With Easter just around the corner think about the little ones and add some sweets to your usual high protein items. Candy, cake and other desserts are often absent in a home struggling to make ends meet.
