GRACE MISSIONS SPOTLIGHT

Sunday, August 3, 5:00PM, Chilton Room

Grace Missions is actively working to spread the Good News of Jesus Christ—locally, across our state and nation, and to the ends of the earth. Through partnerships with ministry leaders and missionaries, we are seeing lives transformed by the power of the Gospel.

We invite you to be part of the mission! Join us **Sunday, August 3 at 5:00 PM in the Chilton Room** for a special evening with our missionaries and ministry leaders. You'll hear firsthand how God is working through Grace Missions and discover ways you can support or get involved in this life-changing work.

Whether you feel called to pray, give, or go, this is a powerful opportunity to learn more and ask God how He may be leading you.

"And he said to them, 'The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.'" — Luke 10:2 (ESV)

We hope to see you there!

PRAYER REQUESTS

We're Here to Pray With You and For You

As a church family, we are called to walk alongside one another—lifting each other up in prayer, sharing in both burdens and blessings. Scripture reminds us of this calling:

"Bear one another's burdens, and so fulfill the law of Christ." —
Galatians 6:2 (ESV)

Each week, our ministry staff faithfully prays over every request and praise shared with us. Whether you're facing a challenge or celebrating God's goodness, we would be honored to pray with you.

Have a prayer request or praise?

J-Curve

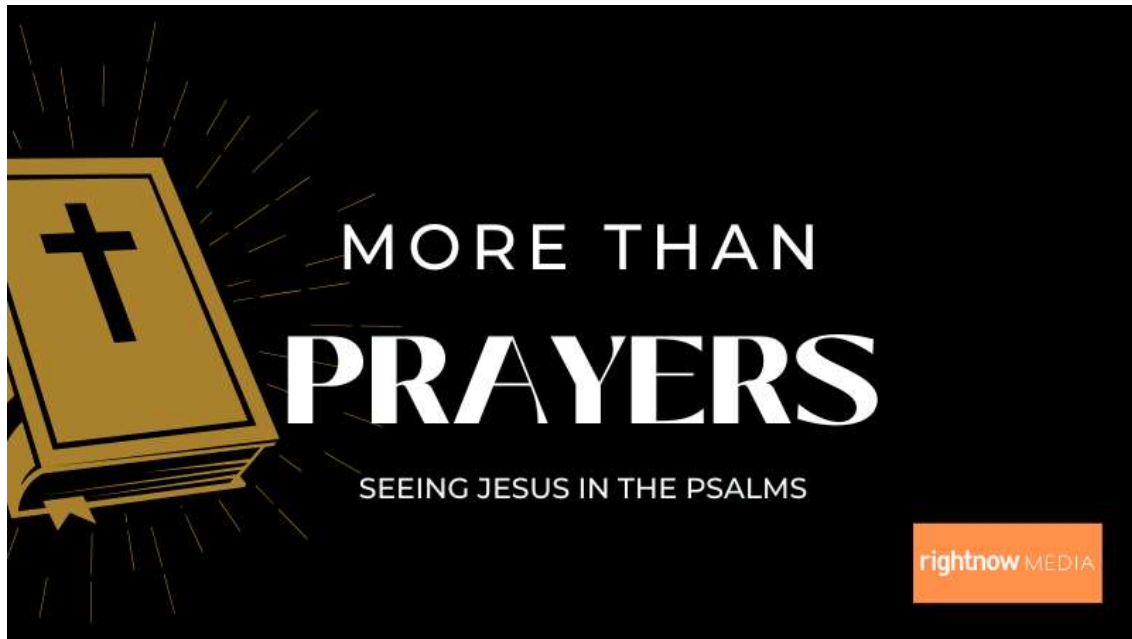

Dying and Rising with Jesus in Everyday Life

Do we have the wrong map for the Christian life? The apostle Paul traces out a pattern of dying and rising with Jesus—what Paul Miller calls the “J-curve”—as the normal Christian life. Life's inconveniences, disappointments, and trials can leave us confused, cynical, and eventually bitter.

But the J-curve plots the ups and downs of our lives onto the story of Jesus. It grounds our journeys not in some abstract idea but in union with Christ and his work of love. Understanding our life in light of the J-curve roots our hope, centers our love, and tethers our faith to Christ.

MORE THAN PRAYERS
SEEING JESUS IN THE PSALMS

Matt Stafford (Worship and Creative Arts Director and Worship Professor at Ozark Christian College) will walk us through praying through the book of Psalms. He will focus on how these songs and prayers reflect universal human experiences, how to pray by their example, and ultimately point us to the answer to those prayers in Jesus Christ.
