CRAFT IDEAS LESSON FOUR

ALL AGES

FISH AND LOAVES NECKLACE

Main Bible Passage: Matthew 14:17-21 (NIRV)

Lesson Objective: Jesus performed a miracle and fed the five thousand.

Gospel Connection: Miracles are incredible things only God can do. He shows His power through His miracles, like feeding the 5,000

Suggested Supplies:

- Penne pasta
- scotch tape
- Fish template (below)
- hole punch
- yarn
- scissors

Instructions:

1. Give each child 2 fish and encourage them to color and decorate if needed.
2. Use hole punch to make a hole in the tail of the fish.
3. Cut each child a piece of yarn and give them 5 noodles.
4. If desired, wrap a piece of scotch tape around the end of the yarn to help thread through the noodles.
5. Encourage the children to put the noodles and fish on the piece of yarn in any order they want.
6. Once they're done, help them tie a knot in their necklace.

Say: The crowd was very hungry because they had been following Jesus all day! God used just 2 fish and 5 loaves to feed over 5,000 people! This miracle shows us that God gives us exactly what we need. God used one boy's lunch to feed thousands! He has the power to take care of all of our needs too if we trust in Him!
