 **NEW VISION**  
CHILDREN

# WORSHIP

“Make a joyful noise to the LORD, all the earth! Serve the LORD with gladness! Come into his presence with singing!” (Psalm 100:1, 2 ESV).

Music has tremendous power in the spiritual growth and development of children. When music is combined with the truth of God’s Word, it has the uncanny ability to make that truth memorable. Music gives us a way to engage our hearts generating greater awe and praise in the presence of God. Music enriches our faith.

Worship will be an exciting time for these students to listen to worship music that correlates with each day’s Bible lesson. Each Bible lesson has two songs to go with it. There are also extra music options that can be played during other Rock The Block activities.

Below is a QR code that will take you to a variety of song formats. These songs were specifically chosen for their simplicity and singability. They are fun, energetic, and memorable. Each Rock the Block team may decide how to approach the worship component. Just use the gifting and talents of your team, and don’t worry about making things too serious or professional.
