

Decisions Decisions

Its Choice not Chance that will determine your destiny...

Every decision you make makes you a servant to your choice...

My decisions chart my course... I am what I am today because of the decisions I made in my life...

I never knew that decisions determine Character... that's why I had such a poor character... simply because I always made poor decisions... I was a habitual liar, I just couldn't tell the truth...

I never knew decisions determine Conduct... that's why my behavior and attitude was such a mess... no wonder I kept hurting and pushing people away.

I never knew decisions determine destiny... all I could tell you is, I was headed straight to hell...

I Never really knew about the Power of Choice, I thought that with time things would just change on their own, or eventually fall into place... until I discovered that it is Choice not chance that determines your destiny... so with the help of the Holy Spirit, just like Jeremiah, I began to build the walls in my life that had fallen and Rebuild the gates that had been burnt to the ground...

1- I began by making a choice to let go of My past/ 2- I let go of damaging relationships/ 3- let go of Past hurts and regrets... and suddenly it felt like a million pounds were lifted off of my shoulders...

As a result, little by little I began moving forward with my life... and I have never looked back... let me encourage you to do the same... let's do that right now IJMN

As a Pastor so many people have told me, Pastor I just can't forgive that person who hurt me, or betrayed me, or did me dirty... and I always tell them the same thing... it's not that you can't forgive; the truth is, you won't forgive... because forgiveness it's a matter of choice, and because you won't forgive you keep carrying this overload That's literally bogging you down and draining the life out of you...

I discovered that Forgiveness is a Choice you make so that you can Enter your tomorrow WITHOUT SORROW...

Is is the gift you give yourself and not the person who hurt you, so that YOU CAN HANG LOOSE AND TRAVEL LIGHT... rather then be all tied up in knots on the inside and know no peace.

Here's another beautiful thing about what I call the miracle of forgiveness... The

Miracle of forgiveness carries with it a Heavenly Reward... and what is that Reward? The reward of Peace...

so if you want peace... FORGIVE!
If you want to live free Forgive...
If you want to succeed forgive

Lastly, Never make major decisions when you're afraid or under pressure... remember, God is ageless and timeless, therefore "He is never in a hurry and neither should You!

Before pressure rushes you to move prematurely; learn to check on the inside, check with the Holy Spirit for the right answer and direction 🙏 Jesus Did (John 8:4-8) that's why He stooped down and wrote on the dirt... I believe He was simply waiting for divine direction... then, He spoke, then He acted, and not before... we need to never react to pressure prematurely we need to do what Jesus did... take a moment to get the mind of God then proceed

2- I CHOSE TO WALK BY FAITH...

Galatians 3:11 The Just shall Live By Faith///

I made a decision to walk in the light of his Word... Psalms 109:105 Thy Word is a Lamp unto my feet...

So Let these feet be Clean/ Happy Feet/ Joyful Feet/ Glorious Feet/ Prosperous Feet/ Victorious Feet/ Forgiving Feet/ Overcoming Feet/ 🦶 Trampling Feet/ Merciful Feet/ Gracious Feet/

3- I CHOSE TO LOVE GOD AND HIS PEOPLE MORE THAN GOD'S POWER...

Nehemiah 2:10 When Sanballat the Horonite, and Tobiah the servant, the Ammonite, heard of it, it grieved them exceedingly that there was come a man who was interested in the welfare and prosperity of the children of Israel.

Talk about Love... I once read about a man that drew a large circle and told everybody, Stay Out! Stay Out! But Jesus came along, drew a Larger Circle and took Him in... For Love always find a way!
