"Blameless in His Presence"

Sermon Series: The Book of Jude

Jude 24-25, NASB

Introduction: Verses 24 and 25 are considered one of the most splendid, beautiful, glorious benedictions/doxologies in the New Testament. There is one word, in particular, that needs our rapt attention. It is the word blameless or faultless in verse 24.

Key Ideas for Consideration:

1). We are **guilty** before God and we are, apart from Christ, the rightful **objects** of His holy, just wrath.

2). You will have no **excuse** for refusing to repent and believe in the Lord Jesus Christ.

3). Salvation, to be sure as it is presented in Holy Scripture, is of the **Lord**.

4). Man does not **fear** God.

5). You are **accountable** to God.

6). How is it that we can stand in the presence of a holy, righteous, just, glorious God **blameless**?

JESUS CHRIST

Conclusion: Do you see, do you feel your need for Jesus Christ?
