

“Paul’s Investment Principles”

2 Corinthians 9:6-15, NASB

Introduction: People are funny about money! Yet, the Bible has much to say about money, particularly as it relates to giving. We return to 2 Corinthians 9 this morning to glean Paul’s investment principles.

Five Key Principles:

- 1). A Biblical Principle of **Giving** (v. 6).
- 2). The Appropriate **Spirit** of Giving (v. 7).
- 3). Our Investing **Partner** is with God (v. 8-10).
- 4). God Uses Our Giving to Meet **Needs** (v. 11-12).
- 5). Giving by God’s People Results in the **Praise** God (v. 13-15).

Conclusion: All giving by the follower of Jesus is rooted in God’s gift of His Son to us. When God gave His Son, He gave us the gift that includes every other gift. Have you received into your life the gift of God’s only Son, Jesus Christ?
