

"How to Know You Are Truly Saved"

1 John 2:3-6

Introduction: Are you saved? Are you sure? How can you know? It is possible that people who assume they are believers have never genuinely believed. Is it possible that a member of this church, FSBC, is indeed unsaved? Unregenerated? Is there a biblical litmus test that would bear evidence of your redemption in and through Jesus Christ?

Three Clear Evidences of Assurance:

- First, **Obedience** to God's Commands (v. 3).
- Second, **Adherence** to the Word of God (v. 5).
- Third, A **Passion** to Walk as He Walked (v. 6).

Something to Carefully Consider: If there is no obedience to God's commands, no adherence to the Word of God, and no desire to walk as Jesus walked, you should wonder if you are truly saved.
