HELP CONNECT PEOPLE WITH GOD THROUGH THE OUTDOORS.

A BS in Recreation and Sport Management will prepare you to integrate your Christian faith with your love of the outdoors. You will receive hands-on experience in recreation and sport management principles that prepare you for graduate study or a career in various fields. Our expert faculty, experienced guest speakers, and out-of-class excursions will prepare you for a life of recreation and sport management beyond the classroom.

The Recreation and Sport Management degree is grounded in the belief that God created time for activities outside of work. You will graduate as a strong, purpose-filled warrior for the Lord who helps connect people to God through sports and recreation.
