

B.S. in Recreation and Sport Management (34 credits)

Division of Social Science

SAMPLE FOUR-YEAR DEGREE PLAN

The B.S. in Recreation and Sport Management equips students with foundational principles in the field through a blend of theory and practice. Integrating Christian faith with a love of the outdoors, the program prepares students for further study and/or work in a variety of professions, including community recreation, coaching, parks management, sports equipment manufacturing, and athletic training.

This sample plan represents one possible pathway through the major. Individual plans may vary, and some courses are not offered every year. Students may choose one of three optional concentrations in Athletic Administration, Sport Communication, or Sport Psychology. An actual degree plan tailored to the needs of each student should be developed in consultation with a faculty advisor.
