Congratulations on successfully creating your MySciFair account! We have notified your School Coordinator of your registration, and they will now begin the verification process. If you wish to expedite this process or if there are any delays, you can click the "Resubmit Request" button to send another notification to your School Coordinator. Once your account is verified, you will gain full access to all the features and resources available in your MySciFair Teacher account.

Account Verification Pending

You're almost there!

Your request has been sent to your coordinator. You will have access after your account is approved.

Next steps:

1. When your school, district, or state coordinator approves your account, you will be sent an email confirmation to the email you signed up with.
2. Create a password with the link provided in the confirmation email.
3. Log into your account and you're done!
