Dear Dr. Stewart:
Thank you for taking the time to address the SEER committee's follow-up questions to your application. **They approved** the Bachelor of Science program in in Nursing (CIP Code: 51.3801) at Southern Wesleyan University for scholarship enhancement eligibility.

The program will be added to the official list of eligible programs.

Consistent with the Fall/August SEER review cycle, scholarship-enhancement eligibility will be implemented for the freshman cohort entering the program in Fall 2027. Palmetto Fellows and LIFE Scholarship recipients who enroll in the program as freshmen in Fall 2027 and meet all enhancement requirements may qualify for the scholarship enhancement beginning in their second year (Fall 2028).

Please contact the Office of Academic Affairs and Licensing if you have any questions or require additional information.

Best regards,

Angela W. Peters
