## GLOBAL PARTNERS CORNER

Mission Aviation Fellowship began with several World War II pilots and a vision for how aviation could be used to spread the Christian faith. On February 14th, 1946, the first MAF airplane was purchased. A red 1933 Waco biplane seems a fitting choice for this day. This "Valentine" that would bring hope and help to isolated people matched the heart of MAF's first pilot/co-founder "Betty" Greene. [CLICK HERE](#)

Mission Aviation Fellowship

In a 1944 article, Betty says: "As I fly with Christ during these days of war, I am eagerly awaiting the time when God will use my flying to take the glorious Gospel of our blessed God to those who are 'without

Christ—having no hope." [CLICK HERE](#)

The heart of MAF—its vision—remains the same more than 75 years after that first flight: "To see isolated people changed by the love of Christ." FBC supports Global Partners Mike/Angie Johnson (MAF HQ / Nampa, Idaho)

DATES: June 8th - 12th.

TRIP COST: \$900

[Registration](#) for this year's Mexico Build Trip is now open! We've reserved 18 seats with Alaska Airlines and we'll be focusing on recruiting more fathers and their teenage (or older) sons/grandsons for the trip. We have heard so many inspirational stories from fathers who have brought their sons on this trip in years past, and the life changing impact it's had on them that we wanted to promote that heavily this year. We will be offering deeply discounted trip prices to fathers who bring their sons or grandsons on this year's trip. The trip price for fathers who bring their teenage son or grandson will be \$500 each. Other funding support options for qualified church members who wish to attend and need financial assistance.
