This Sunday Mr. Juan Estevez will preach from **John 3:1–21** and his sermon title is ***A Supernatural Religion***. He writes, "Lord willing, this coming Sunday we will look at another well-known passage of Scripture—the story of Nicodemus from John 3. I think it could be said that the story of Nicodemus is one of the passages of Scripture that most clearly illustrate the supernatural nature of the faith we profess. It is my hope to expand on the supernatural nature of our religion and to hopefully draw out some of the implications of this for us today, who have been born from above, by the grace and mercy of our Lord."
