## **Colossians** **Paul Baldwin** **Sanctuary**

Salvation through faith in Christ is such good news! For us, it can be too good. We want to participate, to demonstrate that we are good enough to want to subsidize our faith with our own works. This was the story of the Colossians. They were being taught that to be a true Christian they needed something beside Christ alone. It wouldn't hurt, they were told, if they were good Jews as well. Colossians is a rich book, full of Paul's teaching and admonition. We probably aren't too different from the Colossians. We often feel like we need to earn our salvation. If this subject appeals to you, please join us as we discover God's Truth in Colossians.

## **Church History Video Series:** **Calvin's Geneva, Scottish,** **& Dutch Reformations** **Room 107**

God excels at overturning human expectations. When John Calvin left Geneva in 1538, he assumed that he would not be back, but three years later he returned, leaving a permanent mark upon both this city and the Reformed branch of Christianity. This class will examine Calvin's life and teachings in Geneva as well as God's reforming work in both Scotland and the Netherlands.

This Sunday Pastor Muhlfeld will preach from **2 Samuel 23:8–39** and his sermon title is **The Hall of Faith**. He writes, "The Bible is filled with lists of names that do not initially strike us as being relevant to our lives. But they all bear witness to the God who saves men and women by His grace to use them for His glory. Second Samuel 23 lists the valiant men who served by faith within David's earthly kingdom. How much more glorious to be listed in the Lamb's book of life, having been ransomed through faith in the blood of David's greater Son to serve in a kingdom that will last forever?"
