Covenant Update

April 24, 2026

Power Restored

We give thanks to the Lord for the 24/7 generator, which is now fully powering our church building while permanent electrical repairs are being made. Lord willing, all of Covenant events from this Sunday on should proceed as scheduled. Many thanks to electrical engineer Jim Taylor, the officers and office staff, and everyone who has helped us move forward following last

Saturday's transformer accident. Praise be to God for His protection and care!

Attention Families with 2026 Graduates

If you have a soon-to-be 2026 high school, college, or other graduate in your household, please contact the church office with their name, the school from which they are graduating, their degree, their future plans, and a picture so we may recognize them during the worship service on June 7.

Congratulations to all our graduates!

This Sunday Pastor Muhlfeld will preach from **2 Samuel 23:8–39** and his sermon title is ***The Hall of Faith***. He writes, "The Bible is filled with lists of names that do not initially strike us as being relevant to our lives. But they all bear witness to the God who saves men and women by His grace to use them for His glory. Second Samuel 23 lists the valiant men who served by faith within David's earthly kingdom. How much more glorious to be listed in the Lamb's book of life, having been ransomed through faith in the blood of David's greater Son to serve in a kingdom that will last forever?"
