Covenant Update

August 30, 2026

New Sermon Series Beginning September 13

2 Corinthians

Strength Through Weakness

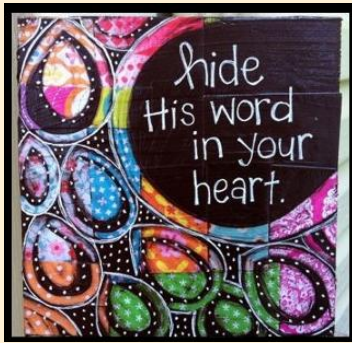

In 2 Corinthians, the Apostle Paul offers a heartfelt glimpse into his pastoral life and ministry as he winsomely seeks to point the Corinthians to Christ. Navigating the difficult waters of ministry critics and sensitive topics, he consistently applies the "upside down" kingdom dynamic of biblical grace to areas such as comfort through affliction, life through death, reaping through giving, and exaltation through humbling.

Please join us as we learn of the mighty Savior whose grace is sufficient for us and whose power is made perfect in our weakness. Thank you for praying for God to be glorified in this new sermon series, for listening ears and receptive hearts, and for Pastor Muhlfeld as he proclaims God's Word to us.

This Sunday Pastor Muhlfeld will preach from **Jude 17–23** and his sermon title is ***Three Tools Every Christian Needs***. He writes, "Even amateur repair people know you need the right tool for the right job. Employing the wrong tool is inefficient, ineffective, and quite often dangerous. In the Christian life, we must become skilled with the tools God has given us to labor effectively within His kingdom. In Jude 17–23, Jude gives us three such tools that we may employ through the grace of Jesus Christ, who demonstrated each of them perfectly for His Father's glory and our salvation."
