

# THROUGH MY EYES: A JOURNEY IN FOSTER CARE

A CHILD'S STORY, TOLD FROM THEIR HEART

## BEFORE

### A World of Uncertainty

*"I didn't know what has happening. Grown-ups were talking fast. I was told to leave home... again."*

## FIRST NIGHT

### Fear and New Faces

*"The house was quiet. They smiled and gave me a blanket. But I didn't smile back. I didn't trust it yet."*

## SMALL STEPS

### Finding Routine

*"Little by little, things got normal again. I had my own toothbrush. A desk. A bed. Someone remembered my name."*

## THE BREAKTHROUGH

### Feeling Safe

*"One day, I laughed. Like really laughed. I didn't feel scared. I felt ... safe."*

## THE DREAM

### Hope for Tomorrow

*"Now I have dreams. Big ones. I want to help other kids like me. I want to show them it gets better!"*

**390,000+**

Children in foster care in the U.S.

Many children move 3+ times per year

Caring adults change lives every day

Almost **10,000**

Children in foster care in Georgia
