Come and See: Shaped by Place

Exhibition on Display: October 1 - November 15, 2026

We invite you to participate in the upcoming visual arts showcase at Point Loma Church. This year's theme, "Come and See," is inspired by the invitation Jesus extends in the first chapter of John's Gospel. When Jesus says, "Come and see," he invites others into a journey of discipleship. To "see" meant to **observe and listen** within a specific real-world context. Part of that observation, which we will be experiencing this fall, involves learning from the land of the Bible.

For this exhibit, we invite you to explore the stories of the landscapes that have formed you.

What place has left a lasting imprint on your heart?

Where have you encountered God's presence in creation?

What land tells your family's story?

How has a particular landscape, tree, garden, or season of life grounded you?

Perhaps your work reflects the changing environment around you or expresses gratitude for the ways the earth has sustained and nourished us.

As we enter the season of harvest and thanksgiving, we celebrate the beauty of creation and the many ways the land provided and taught us.

If you would like to participate in the show, please email Melissa Mullins at melissa@pointlomachurch.org with your medium.

Please have original artwork complete, framed and delivered to the Point Loma Church office at 2128 Chatsworth Blvd, San Diego, CA 92107 by September 28, 2026.
