As devastating floods have impacted the Texas Hill Country, our hearts are heavy with grief for those lost and missing, including children known to our Living Word community. In response, we will hold a special offering this Sunday, July 13, to support Lutheran World Relief's efforts to provide immediate and long-term aid. You can give during worship, by clicking the image in your email, or by scanning the QR code above. Please mark gifts as "FLOOD RESPONSE." In Christ, we are called to love and serve our neighbor—this is one way we live out that calling together.
