

Week 5 Small Group Guide

 Bottom Line	 Goal of the lesson	 Scripture
God invites us into the story and we get to choose how we want to participate.	For students to recognize that God places us <i>where</i> we need to be <i>when</i> we need to be there as a way of inviting us to take part of His bigger story.	<u>Esther 4:5-15</u>

Small Group Questions

Welcome question: Have you ever been placed in a surprising situation where you were able to help?

Discussion:

- Has there ever been a time you knew you were supposed to stand up for someone or something? Did you do it? How did you feel?
- What responsibilities do you think God has given you right now as a student or athlete or musician (etc)?
- What responsibilities have you had to take on as you've gotten older?
- Mordecai supported Esther in her own difficult situation. He reminded her of her duty to the Jewish people as queen. Do you have people in your life who support you and remind you of the responsibilities you have? Do you support them in turn?
- Is it easy for you to trust God in difficult situations? Why or why not?
- What is one thing you can do this week to honor God with the position he has placed you in?
