We continue in our Cultivate Series with our 6th message – this time on the virtue of Goodness. How do we grow in goodness in a world that is evil, stuck, and selfish. Today we want to unpack what this truth holds for us.

- **Q** – Pastor Josiah opened with the observation that you if you want to keep people's attention on social media, the feeling that is tapped into is moral outrage. If that rings true for you, describe a moment that you observed or personally experienced.
- **Q** – Read Matthew 19:16-22, what observations do you make? What questions does this text raise for you? What rings out to you as you consider the importance of the virtue of kindness?
- **Q** – The key point in Josiah's message was that God alone is good and his goodness can transform you. What needs changing in your life to experience this spiritual truth? How can we grow in the virtue of goodness? How can you show goodness next time in your life?
