??? Small Group Questions

- We saw that Jesus calls his followers “the salt of the earth.”
 - How would you explain to someone what that means?
Practically speaking, how do you see this at work in our world?
- Jesus also calls his followers “the light of the world.” Who is someone you know who “shines” the light of Christ?
 - Do you feel like you “shine”? Why or why not?
- Jesus encourages us to be brave about shining our light.
 - What can each of us do this week to shine God’s light to those around us?
