

Thinking Christianly – 7 The Creation of the World

The What and Why of Creation

Challenges for understanding the origin of the universe – the How of Creation

Interpretive questions about the subject of origins

1. Does Genesis 1 speak of creation out of nothing?
2. What does “day” mean in Genesis 1?
3. Did God use evolution to accomplish his creative activity?
4. How can the biblical record be reconciled with the geological data?
5. How does Gen 1:1 relate to Gen 1:2 and Gen 1:3?

Implications of Creation
