Midwest Mission Sleeping Mats in Fellowship Hall - Have you seen our latest church mission project in Fellowship Hall yet? We have a loom to make sleeping mats made from "plarn" (plastic yarn made from grocery bags)! Check out the project in Fellowship Hall, and use the QR Code next to the project to learn how to help make the mats yourself! These mats will be given to Midwest Mission, to be distributed locally and internationally to people who need a barrier between themselves and the ground. The mats are lightweight, easy to clean and provide insulation from cold or damp ground. The mats are sent to people who are unhoused, as well as those without a bed or mattress in disaster relief situations. Weave for a few minutes or stay for longer. (Please log your time!) Stop by again to see how far the project has come!
