

The Church in God's Spirit-Powered Plan to Redeem the World

Going deeper...

1. Read **Acts 1:1-8**. What is the situation (or setting) here? What is Jesus telling His disciples about their immediate future? How do you think His disciples' lives will be different after what Jesus says is going to happen... happens?

2. Read **Joel 2:28-32**. (It's one of the "minor prophets" in the Old Testament, and can be hard to find!) What is this prophet predicting will happen when the time comes for God to pour out His Spirit on His people?

3. Read **Acts 2:38-39**. What is Peter inviting his hearers to do? What is he promising will happen if they do? Who is he saying this promise is for?
