

Reluctant Judgment

Zephaniah 1 & 2

A few questions to ponder...

1. [pre-question/ice-breaker] What do you think it would be like to be a relative of a ruling king – or the President of the United States?
2. Read **Zephaniah chapter 1**. How does the prophet describe “The Day of the LORD”? What will be the extent of God’s judgment?
3. Do you think Zephaniah enjoyed delivering this message to the people of Judah? What words of hope do you see in this chapter?
4. Imagine you were a resident of Jerusalem at the time that Zephaniah spoke these words. What do you think these words might have inspired you to do?
5. Take the opportunity to pray about this.
