

# Leviticus: The Way to Wholeness

*Going Deeper...*

1. Okay, be honest: How familiar are you with the book of Leviticus? What do you know about the circumstances under which it was written?
2. The first 7 chapters of Leviticus are about sacrifices at the Tabernacle. Read **Leviticus 1** for a sample. What observations can you make about these instructions?
3. The New Testament, in many cases, explains (& helps us understand!) the Old Testament. Read **Hebrews 9:22**. How does this figure into your understanding of spiritual things? Read **Hebrews 9:13-14**. What insight does this offer?
4. This may seem repetitive, but: The Apostle Paul, in **Romans 3:25**, explains that "**God presented Him [Jesus Christ, see v.24] as a sacrifice of atonement, through faith in His blood**". What is this saying about Jesus' death on the cross? How do you think this relates to the sacrifices prescribed in Leviticus?
5. If you're brave: Why do you think God put Leviticus in the Bible?
