

A Holy Calendar

(Or better: A Calendar That Helps You Be Holy)

Leviticus 23-27

Reflect, Discuss, Go Deeper

1. What's something you do annually that you look forward to? What's something on the church calendar that helps you stay close to God?
2. Read **Lev 23:1-2**. What do each of these words mean: appointed, feasts, sacred, assemblies? What does the fact that God prescribed these gatherings for His people... tell you about God?
3. Read **Isaiah 30:29**. What insight does this verse give you about what people experienced at the appointed feasts?
