

## Trusting God in the Journey

### ***Numbers 10-21***

*Going for the gold...*

1. What do you think it feels like to step up onto the podium at the Olympics & be awarded a gold medal? What do you think it will feel like to step into God's presence in heaven and have Him look at you & say "Well done!"?
2. Read the "Water from the Rock" episode in **Numbers 20:1-13**. Who can you relate to in this story, and how? What do you think was going on inside Moses? What lesson is there in this story for leaders?
3. Using a concordance, or a Bible app, look up the verses in **Psalms** where the word "trust" is used. What, according to the Bible, are some of the blessings you'll experience when you trust God?
