

## ***God Is Enough!***

*(In the Wilderness)*

### **Numbers 22-36**

*Reflection:*

1. In what ways do you see Balaam and the idolatrous Israelites having a similar issue? What about us today?
2. Is your relationship with God affected when you don't get what you want? What can we learn from Moses in this area?
3. What motivates you to be a faithful follower of Christ? Consider how Deuteronomy 6:4-5 and John 14:15 might apply.
