

Deuteronomy: An Old Man's Wisdom

Deuteronomy 1-4

Remembering God... Personally

1. When is a time you've felt, personally, to be "in the wilderness"?
2. Some of the people Moses preached to, in Deuteronomy, had been under 20 years of age at the Exodus; others had been born during the 40 years in the wilderness. How would the perspective of these two groups be different?
3. Read **Deuteronomy 4:1-14**. What would you say Moses' motivation was in preaching this sermon?
4. Read **Deuteronomy 4:15-40** (gulp!). What do you think it means, according to this text, to "remember God"?
