

Staying True to Jesus

Galatians 1:6-10

Making it personal...

1. From **Galatians 1:3-5**, what are the main points of the gospel of Jesus Christ? Which of these points is most precious to you, personally?
2. Read **Galatians 1:6**. How does the Apostle Paul describe “falling away” from God – in terms of ceasing to follow commands, or in terms of abandoning a relationship? In your view, is that significant?
3. Read **Galatians 1:7-9**. How, in Paul’s mind, are the Galatian Christians being led astray? How does he describe what’s happening in the minds of the Galatians? What is he advising – or at least implying – the Galatians should do about that?
4. Read **Galatians 1:10**. How does Paul describe himself in this verse? How is that an example for us?
