

Apostle Paul in Jerusalem:
pursuing gospel clarity, forging gospel unity

Galatians 2:1-10

✦ *Gospel connections* ✦

1. Read **Matthew 28:16-20**. What is Jesus doing here? What is the gist of what Jesus is telling His disciples to teach other people as they “make disciples”?
2. Read **Galatians 2:1-10**. How would you describe what Paul had encountered in Jerusalem?
3. Paul had spent over a decade preaching the gospel & starting churches – including several in Galatia. Now, some people – self-appointed “disciple-makers” – are coming to these churches and teaching that you have to trust Jesus AND obey the Law of Moses. What (specifically, from v4) is at risk? How (from Galatians 2:1-10) do you see Paul responding?
4. When Paul went to Jerusalem to pursue clarity about the gospel, how did the apostles in Jerusalem respond? How might this apply to us?
