Galatians 3:15-25

Going Deeper...

1. Read **Galatians 3:15-18**. What "promise" or "promises" is the Apostle Paul referring to? And to whom was this promise (or promises) made? What is the meaning, according to this text, of "to your seed"?
2. Read **Galatians 3:19-25** (it's deep stuff!). What was the purpose, according to God's design, for the law (= the law of Moses)? What is the means by which we humans are justified (= declared righteous)?
3. What would happen to society, in your view, if there were absolutely no laws at all? What place do laws have in human society? What place does God's law - the commands & directions of Scripture - have in the believer's life?
4. How does a believer put together a) walking carefully in God's ways and b) walking in liberty?
