

Hey families! Here's a look at what your kid is learning this month.

BIBLE TRUTH FOR THE MONTH

This month your kids are continuing to learn that **God is Creator!** They will focus on how God made different parts of their body.

SEPTEMBER 6TH

This week, kids learn how God made **my LEGS AND FEET**.

- **CHALLENGE:** Create an obstacle course that includes objects for your kid to balance on, jump over, walk around, or climb. Remind them that God made their legs and feet that help them move!

SEPTEMBER 13TH

This week, kids learn how God made **my HAIR**.

- **CHALLENGE:** Sit in a circle and have your kid say what everyone's hair color is. Go around again and have them say the texture or length (smooth, curly, short, long, etc.).

SEPTEMBER 20TH

This week, kids learn how God made **my VOICE**.

- **CHALLENGE:** Turn on your kid's favorite song and start singing! Sing loudly then sing quietly. Turn on your kid's favorite worship song next. Consider saying "God made your voice! One thing we can do with our voice is worship Him. Let's sing together!"
- **Need some music ideas?** Check out our website for a Spotify playlist:

SEPTEMBER 27TH

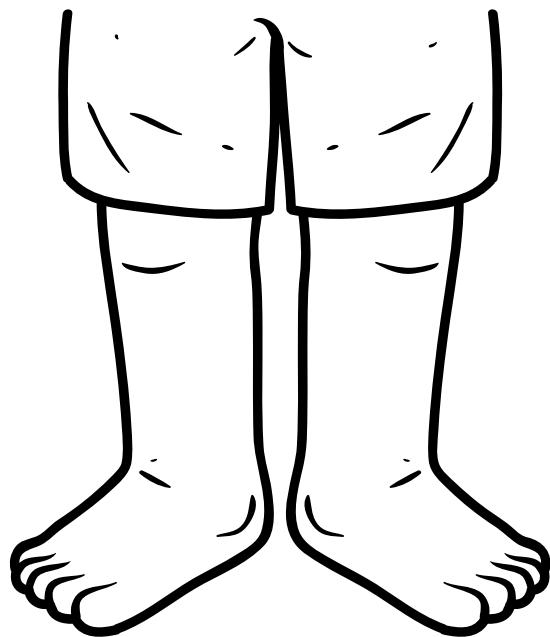

This week, kids learn how God made **my HEART**.

- **CHALLENGE:** Ask your kid if they know where their heart is. Point to your heart and say "Yes! That is where our hearts are!" Say to them, "God made our hearts to live, but also to love. What are some things you love?" *You might give them some examples such as: family, friends, dogs, cats, bananas, strawberries, playing outside, snow, swimming, etc.*
