
2S/3S GROW AT HOME

I CAN...

Hey families! Here's a look at what your kid is learning this month.

BIBLE TRUTHS FOR THE MONTH

This month your kids are learning that we can do many things with God like prayer, worship, and generosity!

OCTOBER 4TH

This week, kids learn **I can talk to God.**

- **CHALLENGE:** Help your kids talk to God in prayer all week long! Consider praying at every meal, before bed, before daycare/school, when they're sad. Use every moment as a chance to talk to God.
- **CRAFT:** Use the coloring page provided to color different times you could talk with God. Use the blank space provided to create your own example!

OCTOBER 11TH

This week, kids learn **I can sing and dance with God.**

- **CHALLENGE:** Choose a worship song for the week to sing and dance to every day with your kids! At least once a day turn it on and dance loud and proud as family and worship God. Consider saying after "Thank you for worshipping God with me!"
- **CRAFT:** Create your own rhythm ribbon! Take one popsicle craft stick and tape 3 or 4 pieces of ribbon to the top! Put on some music and dance around twirling your new ribbon!
- **Need some music ideas?** Check out our Spotify station on our website!

OCTOBER 18TH

This week, kids learn **I can tell others about God.**

- **CHALLENGE:** This week let your kids call other family members to tell them about God. Try simple sentences like "God loves you!" or "God made you!" Encourage your kids to be bold and share God with the world. Consider saying "We want everyone to know about God. I'm so glad you shared Him with ____."
- **CRAFT:** Print out the coloring page for this week, color it, and give it to someone else when you share with them that God loves them!

OCTOBER 25TH

This week, kids learn **how I can share with God and others.**

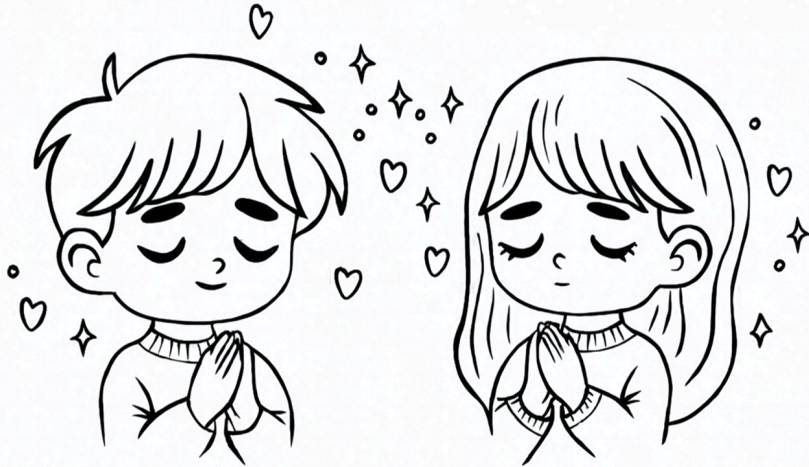

- **CHALLENGE:** This week help teach your kids about sharing. This is a hard concept for your kids to learn so don't force them. Instead emphasize all week long the moments you see them sharing. Try modeling sharing for them too! Consider saying "Thank you for sharing with me!" or "I'm so glad we can share together!"
- **CRAFT:** Print the two coloring pages for this week and color them. Cut the picture out with all of the loaves and fish and glue it in the large blank space of the other picture.

This is a great reminder of our story this week from John 6:1-14!

Have a parent read
you the story in
John 6:1-14 to learn
more about how a
young boy shared his
food and Jesus used it
to perform a miracle!

I can share with God
and with others.
