

Hey families! Here's a look at what your kid is learning this month.

BIBLE TRUTHS FOR THE MONTH

This month your kids are **thanking God for all the many things he's given us in our lives!**

NOVEMBER 1ST

This week, kids learn **I can give thanks to God!**

- **CHALLENGE:** Practice and model giving thanks to your kid all week. Even in the small moments find the chance to say thank you to your kids! Consider saying "Thank you for picking up your toys! Thank you for giving me a hug! Thank you for listening! Thank you for being you!"
- **CRAFT:** Download the coloring page and have your kids color what they are thankful for!

NOVEMBER 8TH

This week, kids learn **God gave us color and we can say thank you!**

- **CHALLENGE:** Test your kids on their colors this week by playing I Spy! Help them to see all the different colors and as you point them out consider saying "I am so glad God brightened up the world with color!"
- **CRAFT:** Have your kids color the rainbow on the weekly coloring sheet. Then, ask them to name the different colors they used!

NOVEMBER 15TH

This week, kids learn **God gave us weather and we can say thank you!**

- **CHALLENGE:** This week, watch the weather and be mindful to tell your kids what the weather is like – is it rainy? Is it cold? Is it windy? No matter the weather this week find a way to thank God for it – is it watering the Earth? Is it giving us the chance to be outside?
- **CRAFT:** Use the weekly coloring page to have your kids color the different types of weather. Ask your kids what kind of weather is outside right now and give thanks to God for the weather!

NOVEMBER 22ND

This week, kids learn **God gave us emotions and we can say thank you!**

- **CHALLENGE:** Your kids have BIG emotions and God made them that way!! Validate your kids' emotions this week and remind them that God gave us emotions, but he also helps us through our emotions! Trying a breathing exercise when your kid is overwhelming or say a prayer of thanks to God when you hear your kid laughing.
- **CRAFT:** Using the weekly coloring page, have your kids color the different emojis. Cut them out and glue or tape them to a popsicle craft stick. Then, have them name the different emotions they see!

NOVEMBER 29TH

This week, kids learn **God gave us family and we can say thank you!**

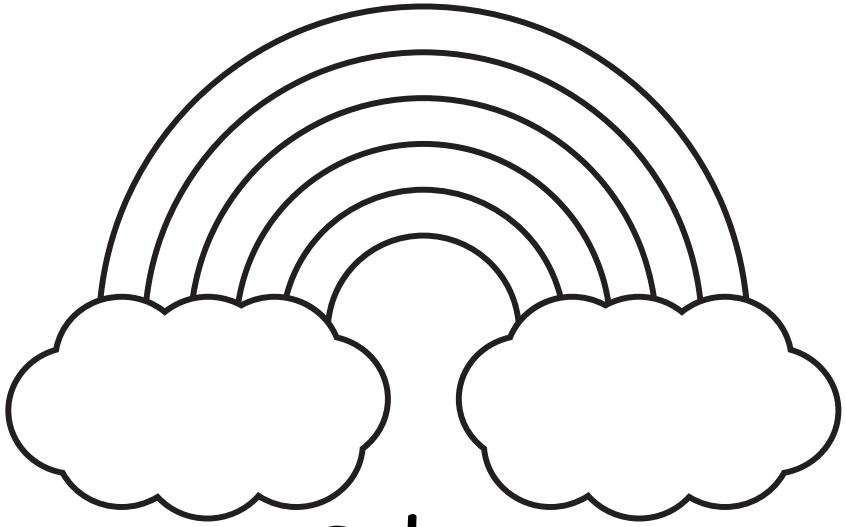

- **CHALLENGE:** Every member of your family is chosen and designed by God! Choose a day this week and plan a family night all about spending time together – maybe it's dinner at grandma and grandpas house or a movie night on the couch or a trip to your family's favorite restaurant. While there, take a moment to pray together and say thank you to God for your family!
- **CRAFT:** Using the weekly coloring page, have your child color the picture on the front and then use the back to create a family photo!
