

Hey families! Here's a look at what we're covering with your kids this month so you can continue growing at home during the week.

MONTHLY MEMORY VERSE

"The grass withers and the flowers fall, but the word of our God endures forever."
— Isaiah 40:8 (NIV)

NOVEMBER 16TH

This week, kids can grow by learning how to **delight in God's ways**.

- **BIG IDEA:** God's words are always in season.
- **BIBLE:** Psalm 1
- **ASK:**
 - **What is the Bible?** A special book that teaches us about God. **What book did we learn about today?** The book of Psalms. **The book of Psalms is a collection of what?** Songs.
 - **What two kinds of people does Psalm 1 talk about?** People who obey God and people who don't obey.
 - **Why should we follow God's words?** God knows what's best for us because God loves us.
 - **Do the seasons change? Does God ever change?** Yes. No, God never changes!
 - **What is our Big Idea for today?** God's words are always in season.
- **CHALLENGE:** This week, try to practice a memory verse with your kids! Talk about how God's words are always in season and when we hide them in our hearts (by memorizing!) we can hear from God in every season as we remember what the Bible says! Don't know where to start, use our memory verse of the month!

NOVEMBER 23RD

This week, kids can grow by learning how to **have thankful hearts that praise God.**

- **BIG IDEA:** We can thank God for every season.
- **BIBLE:** Psalm 100
- **ASK:**
 - **Where can we find the psalms we learned about?** In the Bible.
Who can we shout for and sing for joy about? God! **Who can we worship with gladness?** God!
 - **How do you say thank you to God?** By praying and singing songs.
Let's practice making a joyful noise like Psalm 100 says to do!
 - **What is our Big Idea for today?** We can thank God for every season!
- **CHALLENGE:** Make a thankful jar/bowl with your kids. Sit down one day and write down all the things you can be thankful for on slips of paper and add them to your jar or bowl. Then a random times, pull out a slip of paper, read it, and then together thank God for what you had written down!
