In what ways is God's grace evident in His judgment on Eve and all women who would come after her? Why is it helpful to recognize God's grace even amid judgment?

How did the fall of man forever affect human marital relationships, according to verse 16? What are husbands and wives susceptible to, according to this verse? How can both husbands and wives guard against these sinful desires in marriage?

In what ways is the curse on man in verse 17 cosmic in scope? How does Paul describe the brokenness of our world in Romans 8:18-25? How do Genesis 3 and Romans 8 help us understand the brokenness of our universe and the deterioration we see in the world?

While work existed before the fall of man, what has now changed about man's work due to Adam's sin, according to verses 17-19? What effects of sin do we see in our workplaces today? What temptations do we face in our work today because of sin?

How does Adam's naming of Eve exhibit his faith in God? Likewise, in what ways is verse 21 a picture of the gospel? Why should it profoundly encourage believers that God would provide a covering for Adam and Eve despite their rebellion against Him?

What has God taught you throughout our Genesis series? What truths have been encouraging? In what ways have you been convicted? Are there any ways your growth group can pray for you in light of how God has worked in you through this series?
