October and November Theme - Great Leaders

When you hear the word "leader," you might think about an influential artist or celebrity, or a famous politician, or a coach on a soccer field, or that kid who just got elected class president. And, sure, those people are definitely leaders! But these aren't the only ways to lead. Great leaders don't have to have official positions, titles, or people who report to them.

With God, being a great leader is something anyone can achieve because leadership is simply about becoming the kind of person who's worth following. But how? Through their examples (both good and bad), we reflected how great leaders are the people most likely to follow through, choose to love, choose integrity, and follow God's lead.

Last month, we talked about the leadership of King David. Join us in November as we consider the wisdom of King Solomon and the emergence of the prophets who spoke truth to leaders in a time of need.

Looking Ahead - Mentoring Starts in January!

Our winter mentor session this year for Wednesday evening Middle School students will focus on the Apostles Creed and invite parents or a family member to participate. To get ready for this program, Pastor Stina will be asking each family to communicate which family member will be the mentor for each student by December 15th.
