

# Seasonal Groups at Grace Point

Winter 2026

(Offerings updated as of February 5, 2026)

Winter is a great time to refresh your faith and build meaningful connections. Grace Point's Seasonal Groups are short-term, welcoming spaces to grow spiritually, form friendships, and find practical encouragement for everyday life. Whether you're exploring faith or looking to strengthen it, there's a group for you. Come for the community—leave encouraged.

## Monday Evenings

### **Far Off Saints - Remembering the Revelation Promise and Your Place In It: 4-week series beginning 3/2/2026**

Far Off Saints is an invitation to step into God's heart for people from every nation, tribe, and tongue—and to discover where you fit in His story. Led by Pastor Jason, this 4-week study includes table conversations that create space for connection, reflection, and meaningful discussion. We're grateful that the author, Ivan Veldhuizen, joined us as a guest speaker on Sunday, February 8. You can find his message anytime under the Resources tab on our website in Sermons. After hearing God's heart for the nations shared that morning, we're excited to offer an **additional 4-week session in March**, giving more people the opportunity to step into this journey together.

*Open to men & women / Mondays, 7:00–8:30 p.m. / Conference Room - Grace Point / Led by Jason Guynes with table hosts*

## Tuesday Evenings

### **Growing Deeper at Grace Point: 4-week series beginning 3/3/2026**

Along the way, you'll build friendships, be encouraged in your walk with God, and find your place in our community. Whether you're new or have been here for years, this series will help you engage more fully in the life and mission of Grace Point.
