

HARVEY CEDARS

BIBLE CONFERENCE

Where Christ finds people and changes lives

GP Students Summer Camp

High School
July 20-25, 2026

The week at Harvey Cedars Bible Conference on Long Beach Island provides you with the perfect opportunity to get away and experience Christ in a new, fresh way. With other youth groups, you will experience a week of opportunities that teach, challenge, encourage, and prepare you to live a life that is honoring to God.

The week's focus is on a specific theme from Scripture that is chosen because of its relevance to youth culture and opportunity for spiritual growth. Dynamic and passionate youth speakers will be accompanied by a relevant worship team. Lasting friendships and a passion for God's Word will be nurtured.

During free time, you have many options! You can hit the beach, play some sports or go swimming in the indoor pool. Throughout the week, there will be competitions that will include team work and also individual participation! Some of the areas that you could contribute to are: sports, dodgeball, volleyball, ping-pong games, and boat-building.

STUDENT WEEK REGULATIONS

Any group must have some guidelines and regulations in order to function effectively and to allow everyone to enjoy themselves. Since there are many churches involved in these weeks, there are many different standards and ideas. In order to have weeks where we all work under the same guidelines and for continuity from year to year, the following have been developed to ensure everything runs smoothly.

You may not agree with each regulation, but we expect everyone to abide by these during our weeks together. At the end of each week, the pastors and/or youth leaders of each church involved will meet to discuss the week and at that time, an opportunity will be given to update, change or add something to this list to make our weeks better for the Lord.

- Please, no food or beverage in the chapel.
- Each one, teen and leader, is to be attentive and involved in chapel programs. Each group should sit together, teens and leaders.
- Everyone is encouraged bring a Bible, notebook, pen, etc. to breakfast and to all meetings.
- No teen may leave the conference grounds without permission and supervision of leadership.
- Attendance is required at all events--this includes all meetings, meals and scheduled events.
- Even when not participating in an athletic event our group event, each teen is expected to be with their team giving moral support and be involved.
- After the evening service, no one is to go on the road that runs behind the chapel, nor is anyone to go beyond the roadway by the gym.
- When going to or from the beach, walk on the path beside the road and not in the street or with groups that extend across the roadway--and cross the main street only at and with the traffic light.
- When at the beach, be sure that each teen reports to a counselor who then must know where he/she is. Report to the counselor before leaving the beach.
- Modest apparel is to be worn at all times, this includes the beach. Bathing suits for girls must be a one-piece or modest tankini. Very high cut suits are not to be worn. Boys must also wear modest swim suits, therefore tight, swim-team type are not to be worn.
- Since we are at a camp-type situation, casual clothes and athletic type apparel are acceptable.
- Shoes must be worn in the dining hall and chapel at all times.

- Please act properly in the dining hall. Do not leave your table or area a mess, show proper table manners. Do not make extra work for others.
- Tables will be assigned to each group in the dining hall, please sit at these tables each meal.
- There will be special meal times when teens will be allowed to sit at any table in the dining hall these will be announced.
- While we encourage young people to get to know one another and to make friends, we do ask that there be no displays of affection while at HCBC (such as holding hands, kissing, hugging, etc.).
- Be respectful of all camp staff.
- The following "NO's" need to be observed at HCBC
 - NO skateboards
 - NO smoking, alcohol or drugs.
 - NO iPods, game systems, etc.
 - NO water balloons, water guns, and the like.
 - NO swimming, pushing, shoving or throwing anyone off the dock.
 - NO swimming is allowed on the beach after hours and without qualified lifeguards present.
 - NO going into rooms or on the floor of the opposite sex.
 - NO one is to be in another's room with intent to mess it up or damage property.
 - NO use of the fire escape, except for what it is designed.
 - NO one is to be out of their room in the morning before 6:45 a.m.
 - NO taking the screens out of the windows.

Please be considerate of the neighbors of the Bible Conference. Everyone needs to observe the lights out and quiet time assigned. No one is to be yelling out the windows at night.

These regulations are not to restrict the teens and take away their fun, but they are for the good of the entire group and help establish a proper atmosphere for the week so that the Holy Spirit can work in each life. Each youth leader and counselor is expected to help enforce each regulation. Thank you for your cooperation.
