GRACE POINT GROUPS

Discussion Questions for week of 11.29.2026

Among Us
"The Word"

GETTING STARTED

ICE BREAKER: Who is one person you are most looking forward to seeing this holiday season? A friend? A relative you haven't seen in a while?

KEY THOUGHT: ***Jesus is God and He is in Us***

INTRODUCTION

Read John 1:1-5

1. What is something you appreciate about light, especially during the darker months of the year? Why do you think darkness can make us feel uncomfortable or uneasy?
2. The sermon suggests that Christmas lights are more than just decorations; they can remind us of Jesus, the Light of the World. Have you ever thought about Christmas lights this way? What do they represent to you?

GOING DEEPER

1. John begins his Gospel with a profound declaration: "In the beginning was the Word, and the Word was with God, and the Word was God." Why is it so important that we understand Jesus to be fully God and not simply a good teacher, prophet, or religious leader? How does Jesus' deity change the way we understand His life, death, and resurrection?
2. The sermon emphasizes that Jesus doesn't simply possess life; He is the source of life, both physical and spiritual. What is the difference between simply existing and experiencing the fullness of life that Jesus offers? How should this truth shape the way we understand our purpose and relationship with God?
3. The sermon challenges us not to settle for living in the "gray" but to allow Christ's light to shine in and through us. What are some practical ways we can make Christ's light visible in our homes, workplaces, neighborhoods, and community? What might need to change in our lives for others to see something different in us?
4. Is there an area of your life where you need to allow the light of Christ to shine more brightly? What is one practical step you can take this week to live more intentionally in the light of Christ?

PRAY…

Spend time praying that God would help you to 1) grow in your understanding and belief that Jesus is God, 2) allow Christ to expose areas of sin and darkness in your heart, 3) become more intentional about reading and applying God's Word, and 4) reflect the light of Christ in your everyday relationships and interactions.
