

90-DAY JOURNEY

Can you do 15 minutes a day?

*Listen, listen to me, and eat what is good, and you
will delight in the richest of fare.*

*Give ear and come to me; listen, that you may live
Isaiah 55:2b-3a*

Our hope is that each reading should take between 15-30 minutes. This will be a great opportunity for you to jump into the Bible.

WHY THESE VERSES?

This 90 day journey is a practical way to work through some important passages throughout the entire 66 books of the Bible. The selections seek to walk through some of the major events and turning points in the biblical narrative.

IDEAS FOR READING

One of the biggest hurdles for reading the Bible is finding time to sit down and actually read the Bible! Here are some ideas for finding the time in your day to take in the Word of God.

- Listen to an audio Bible on your daily commute or during your daily workout (YouVersion has a few options).
- Read during your lunch break.
- Read it on your phone for 15 minutes the next time you go to check your email or your social feeds.
- Each day, move this bookmark to the next reading so it's ready for the next day.
