The Gospel Has Left the Building
April 28 - Mark 1:29-45

To Start:

- Make sure everyone has become acquainted with each other.
- Ice Breaker: Are you are homebody or do you like to get out and go places?

UP

"Life on Life"

- When is the last time you "got away with the Father" for an extended period of time? What did this look like for you?
- How can you prioritize intimacy with God this week? How can we keep one another accountable for this priority?

.....

IN

"Life in Community"

- What needs of others can you move toward this week?
- As we gather together "in the building" how can we encourage one another to boldly "leave the building" in Jesus' name?

.....

OUT

"Life on Mission"

- Who is God calling you to go to, in order to meet their needs and share the love of Christ?
- What is something missional we could do together as a group?

Act

Pastor's Challenge:

1. Take at least one hour this week, go into a private place, and talk to God.
2. Invite one friend to a service this week.
3. Go to someone in need and seek to meet that need.
