B

God Will Provide
July 28th - Mark 6:33-44

To Start:

- Make sure everyone has become acquainted with each other.
- Ice Breaker: What is the largest meal gathering you have ever been a part of?

UP

"Life on Life"

- In what ways has God spiritually provided for you this week?
- What is your greatest need right now that you are looking to God to provide for?

.....

IN

"Life in Community"

- How can we be the hands and feet of Jesus to provide for one another what we need?
- How has God already used each of us in one another's lives to demonstrate His provision for us?

.....

OUT

"Life on Mission"

- How can we present God as the Provider without misleading people to think God will give them everything they want?
- What needs in the lives of those we know who are far from Jesus could we meet as a demonstration of God's love and provision?

Act

- Spend some time thanking God for His provision.
- If you haven't been giving sacrificially – start today! Someone gave up their fish and bread...
- Ask how He might use you to meet someone else's needs (consider giving to the Deacon fund).
- Matthew 6:19-34 - Read the text – reflect on the text – respond in prayer – rest in silence.
