B

Taking Life in Christ
January 19th - John 17:14-23

To Start:

- Make sure everyone has become acquainted with each other.
- Ice Breaker: Have you ever been given an assignment but the purpose or instructions were unclear or vague?

UP

"Life on Life"

- In what ways does your citizenship in heaven and your being called to be an ambassador of Christ change how you view your identity?
- Jesus says that you are "not of this world." Are there areas of your life where you are worldly? Is there worldliness that you need to put off?

.....

IN

"Life in Community"

- Who are your partners in living missionally? Who is holding you accountable to living on mission?
- Would your relationships with other believers be a witness to those who are far from Jesus? Are relationships defined by love?

.....

OUT

"Life on Mission"

- Do you view living on mission as your life's purpose? Why or why not?
- Spend some time praying that we would be effective missionaries this year. Pray also for any missionaries who are going to the nations who you may know, pray that they may bear fruit.

Challenge:

- Pray - Who are you praying for who is far from Jesus?
- Give - What are you sacrificing for the mission?
- Go - Who will you share Jesus with this year?
