

# Sermon Discussion Guide

B

Problem Solving Done Right  
June 7<sup>th</sup> - Acts 15:22-35

## To Start:

- **Ice Breaker:** Do you like solving problems? How do you go about solving a difficult challenge or overcoming an obstacle?

### UP

"Life on Life"

- Why do you think the apostles and elders sought the Holy Spirit's guidance before finalizing their decision?
- How can prayer and Scripture help us discern God's will when facing difficult decisions?

.....

### IN

"Life in Community"

- Why is it important to involve wise and mature believers when facing significant problems?
- Have you ever experienced the benefits of receiving wise counsel from other Christians?
- How can our small group create an environment where difficult conversations are handled biblically?

.....

### OUT

"Life on Mission"

- How does a church that handles conflict well serve as a testimony to the surrounding community?
- How can Christians model humility and wisdom when disagreements arise in society?
